

TRAINING PLAN

Session I

4-8.12.2023

MECHANICAL GROUP

Day	Hour	Topic	Expert
e-learning			
online	8 h	Quality assurance and quality control requirements of subcontracting companies (6h)	Łukasiewicz-GIT
		Safety/security, occupational health and safety, and the basics of nuclear power (2h)	Łukasiewicz-GIT
Hotel in Warsaw			

Room 3

4 Dec Monday	8:00-8:30	coffee break	
	8:30-10:30 (2h)	Production, assembly and supply chain of metal components during the construction of EPR and in repair and modernization projects of nuclear facilities (Tier 1-2 and 3)	EDF
	10:30 - 11:00	coffee break	
	11:00- 13:00 (2 h)	Quality assurance and control acc. to ISO 19443	EFCEN
	13:00-14:00	lunch	
	14:00-17:00 (3 h)	Business perspective for Polish companies during the construction of EPR	EDF

Room 3

5 Dec Tuesday	8:00-8:30	coffee break	
	8:30-10:30 (2h)	Requirements for the fabrication and assembly of metal components during the construction of EPR (Tier 3): civil works, HVAC + quality acc. to RCC-M, RCC-CW, ISO 9001, ISO 19443 (vessels, piping, valves, pumps)	AFCEN
	10:30 - 11:00	coffee break	
	11:00- 13:00 (2 h)	Safety/security, health and safety and the basics of nuclear energy generation (2h)	JENSEN HUGHES
	13:00-14:00	lunch	
	14:00-16:00 (2 h)	Business perspective for Polish companies during the construction of APR1400	KHNP

Room 3

6 Dec Wednesday	8:00-8:30	coffee break	
	8:30-10:30 (2h)	Requirements for the fabrication and assembly of metal components during the construction of AP1000 (Tier 3): vessels, piping, valves, pumps	WESTINGHOUSE BECHTEL
	10:30 - 11:00	coffee break	
	11:00- 13:00 (2 h)	Quality assurance and control acc. to NQA-1	WESTINGHOUSE
	13:00-14:00	lunch	
	14:00-16:00 (2 h)	Requirements for the fabrication and assembly of metal components during the construction of AP1000 (Tier 3): piping, HVAC, vessels	WESTINGHOUSE BECHTEL

Room 3

7 Dec Thursday	8:00-8:30	coffee break	
	8:30-10:30 (2h)	Requirements for the fabrication and assembly of metal components during the construction of AP1000 (Tier 3): containmet, moduls, shielding, pools	WESTINGHOUSE BECHTEL
	10:30 - 11:00	coffee break	
	11:00- 13:00 (2 h)	Quality assurance and control acc. to NQA-1	WESTINGHOUSE
	13:00-14:00	lunch	
	14:00-17:00 (3 h)	Production and assembly of metal components in the nuclear sector based on experience of domestic companies	ECOL ROCKFIN

Room 3

8 Dec Friday	8:00-8:30	coffee break	
	8:30-10:30 (2h)	Business perspective for Polish companies during the construction of AP1000	WESTINGHOUSE BECHTEL
	10:30 - 11:00	coffee break	
	11:00- 13:00 (2 h)	Requirements for the fabrication and assembly of metal components during the construction of AP1000 (Tier 3): civil works	WESTINGHOUSE BECHTEL
	13:00-14:00	lunch	
	14:00-16:00 (2 h)	Requirements for the fabrication and assembly of metal components during the construction of AP1000 (Tier 3) + Quality assurance	WESTINGHOUSE BECHTEL
	16:00-18:00 (2h)	TEST ON-LINE
